CAP AND CANDLE

1965

*PRESENTED BY
THE CLASS OF 1965
HOSPITAL OF THE WOMAN'S MEDICAL COLLEGE
SCHOOL OF NURSING*

FOREWORD

To everything there is a season, and a time to every purpose under the heaven . . .

In our seasons and times to come, we shall perhaps forget some details and persons involved in the events of these three years we have passed at Woman's Medical College Hospital. It is for this reason that a pictorial recording of our life at Woman's Med has been compiled. We hope it will serve as a "passport," so to speak, to the memories of these times and times to come.

We have run the gamut of our stay here and the seasons we have shared now ebbs toward its end. We shall no longer share a life together for we go our separate ways and though we keep in contact and share life with some we have known here, we shall no longer share with all as the class of 1965. So, with memories of all that has passed, the silly, the sad and the sentimental, we bid you begin this pictorial history of our class of 1965 and perhaps even some of the things that were most unpleasant to endure may even prove pleasant to remember as Seneca once said.

So to borrow a phrase from our Alma Mater, though "time ever flowing, bids us be going," may the memories in these pictures bind us through all our seasons to come.

*to everything there is a season, and a
time to every purpose under the
heaven:*

*a time to be born and a time to die;
a time to plant, and a time to
pluck up that which is planted;*

*a time to kill, and a time to heal; a
time to break down and a time to
build up;*

*a time to weep, and a time to laugh; a
time to mourn and a time to dance;*

*a time to cast away stones, and a time
to gather stones together; a time
to embrace, and a time to refrain
from embracing;*

*a time to get, and a time to lose; a
time to keep and a time to cast
away;*

*a time to rend and a time to sew; a time
to keep silence, and a time to
speak;*

*a time to love, and a time to hate; a
time of war and a time of peace.*

DEDICATION

"A perfect woman, nobly plann'd
To wain, to comfort, and command
And yet a spirit still, and bright
With something of angelic light."

-- Wordsworth

MRS. DRUCILLA GLEAVES

Since the time of her arrival in 1962, Mrs. Gleaves has served the students in the capacity of teacher, sponsor, and guide. She has understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chances for success.

One of our fondest memories was her determination to make us satisfied and happy.

We can never adequately express our appreciation for all her many contributions; but at this time we would make this final tribute to her in dedicating this, the 1965 "Cap and Candle."

IN APPRECIATION . . .

"They're not such a bad class!" This was the famous chant of Mrs. Jane Smith, secretary of the School of Nursing, concerning the "Infamous Class of 1965."

Our class had had it's share of ups and downs, as all classes have, but we would never have pulled through if it was not for Mrs. Smith's genuine interest and concern in us. She was always ready to listen to our complaints, and complain we did! The objective advice and guidance she gave us always led us down the right path.

When we recall some of our happiest moments during the last three years, we automatically think of the parties Mrs. Smith gave our class. (We sometimes wonder if she had stock in Food Fair.)

We will long appreciate her faithful presence at school activities.

Mrs. Smith, we admire and respect you. Thank you for your never failing interest and willing help.

With utmost appreciation

We remain,

The Seniors
